Competence | Innovation | Leadership

## About us

Bartmore Technical College is a TVET college committed to providing competence-based and real-life education that prepares young people for careers for the 21st century and beyond. We also nurture our graduates to walk out of college ready for lives of leadership, entrepreneurship and service to their community.

Our focus on nurturing creativity and leveraging on ICT as a competitive advantage give our students an edge over their peers. We take pride in our dedicated, talented faculty and staff, ultra-modern infrastructure as well as the most active and helpful group of partners, visionary parents, well-wishers, alumni and friends.

## Our Mission

Our mission at Bartmore Technical College is to develop competencies by leveraging technology and the unique abilities of each student by offering accredited Competence-based Education and Training (CBET) curricula. We strive for excellence through our unique problem-based learning approach that produces innovative, competent, caring, and intellectually curious leaders.
